MEMORANDUM FOR: Deputy Director of Central Intelligence

FROM: Harry E. Fitzwater
Director of Personnel

SUBJECT: Clarification of Initial Conversion Levels of
"Higher Point" GS-16's to New SIS Positions

1. Action Requested: That you approve the proposal contained in paragraph 3.

2. Background: On page 9 of the recently issued SIS brochure the Current Position Level block shows the proposed initial conversion of GS-17 and "Higher Point" GS-16's and SPS Equivalent officers to SIS-3. The category of "higher point GS-16's" was included in earlier drafts of the staff proposals, and through oversight, survived to the final Sub-System 3, which you approved on 27 September 1979. We had fully intended to delete this category from SIS-3 because:

- a. The new system already provides for dividing GS-16 and SPS equivalent positions between the new SIS-2 and SIS-1 levels.
- b. It would be most difficult, and perhaps counter-productive to our efforts in getting the SIS system off to a positive start, to try to further differentiate among various "higher point" GS-16 positions and their SPS equivalents.
- c. It would require a lengthy examination by our Position Management and Compensation Division of each GS-16 position in order to identify the "higher point" positions.

SUBJECT: Clarification of Initial Conversion Levels of 'Higher Point'
GS-16's to New SIS Positions

3. Recommendation: It is recommended that:

a. The Conversion Table in Sub-System 3 of the SIS Plan and page 9 of the SIS brochure be amended to delete the words "and 'Higher Point' GS-16's" from the Current Position Level block.

b. All officers who received the brochure be notified of this change along with the new pay level clarification which will be issued as soon as the new executive pay levels are determined by the Congress.
